

## VALHALLA LUTHERAN CHURCH TREASURER REPORT 2022

This year Jessica of Olsen's Office Management voluntarily audited our books. The last line of the 2022 Profit and Loss report shows a loss for the church. This loss was incurred because of the downturn in investment income. A loss of around \$30,000 occurred in the Ken Hanson Investment account. This money is only used for scholarship awards and does not impact our day to day finances. Our regular ATB community account has been fluent throughout 2022.

PRAISE GOD FROM WHOM ALL BLESSINGS FLOW!!
